Who We Are

Palisades Village is a nonprofit membership organization offering a wide array of support services and social opportunities to residents over 50 who want to remain in their own homes and stay engaged in the life of their communities.

What We Offer

If you have a need, we strive to fill it. For a reasonable annual fee (payable in installments), Palisades Village members enjoy the ease of making one phone call to our office to request free services from our wonderful corps of neighborhood volunteers. Doctor appointments, shopping trips, social events, fitness classes -- our volunteers get you there and back.

We also assist in helping you find qualified service providers for your home and health-care needs.

Members are also entitled to an online subscription to *Washington Consumers Checkbook*, and participation in Palisades Village's social, educational, fitness, and cultural activities.

Volunteer

Our volunteers give a lot and get back more. Can you drive now and again, do you like to pitch in at events, do you enjoy gardening, are you able to run an errand, walk a pet, read to someone, or make a friendly call? Are you handy with tools? We need what you can offer!
